

- To be able to select teams and enter results a clubs Coach / Manager must first have a SportingPulse Passport and have been granted access to that team by the clubs SportingPulse Administrator.

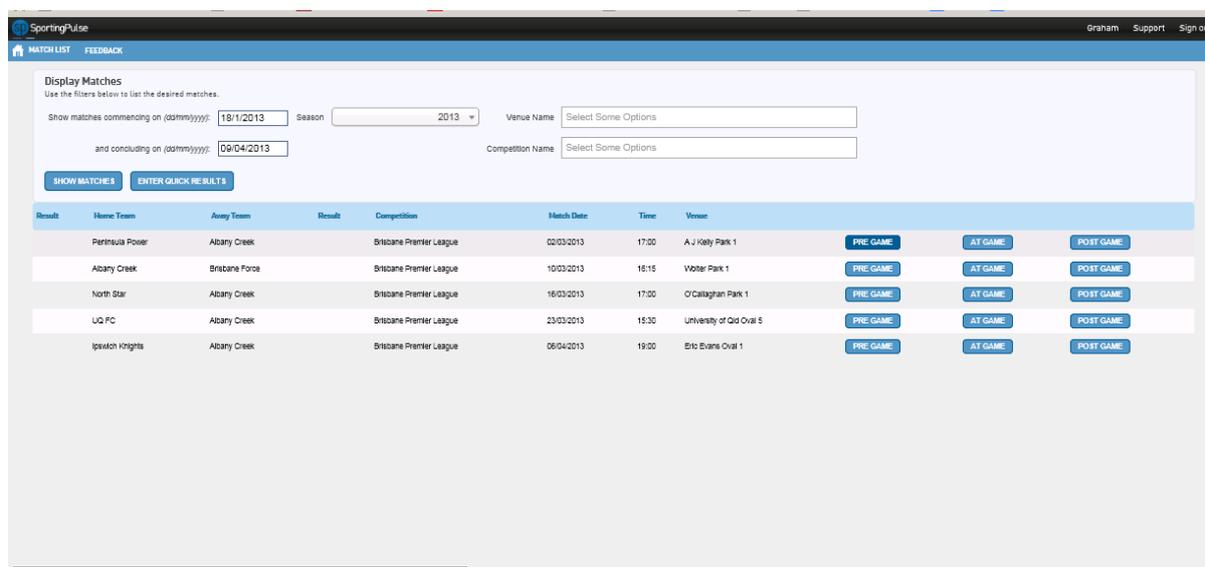

## Selecting Teams

The process for selecting teams is:

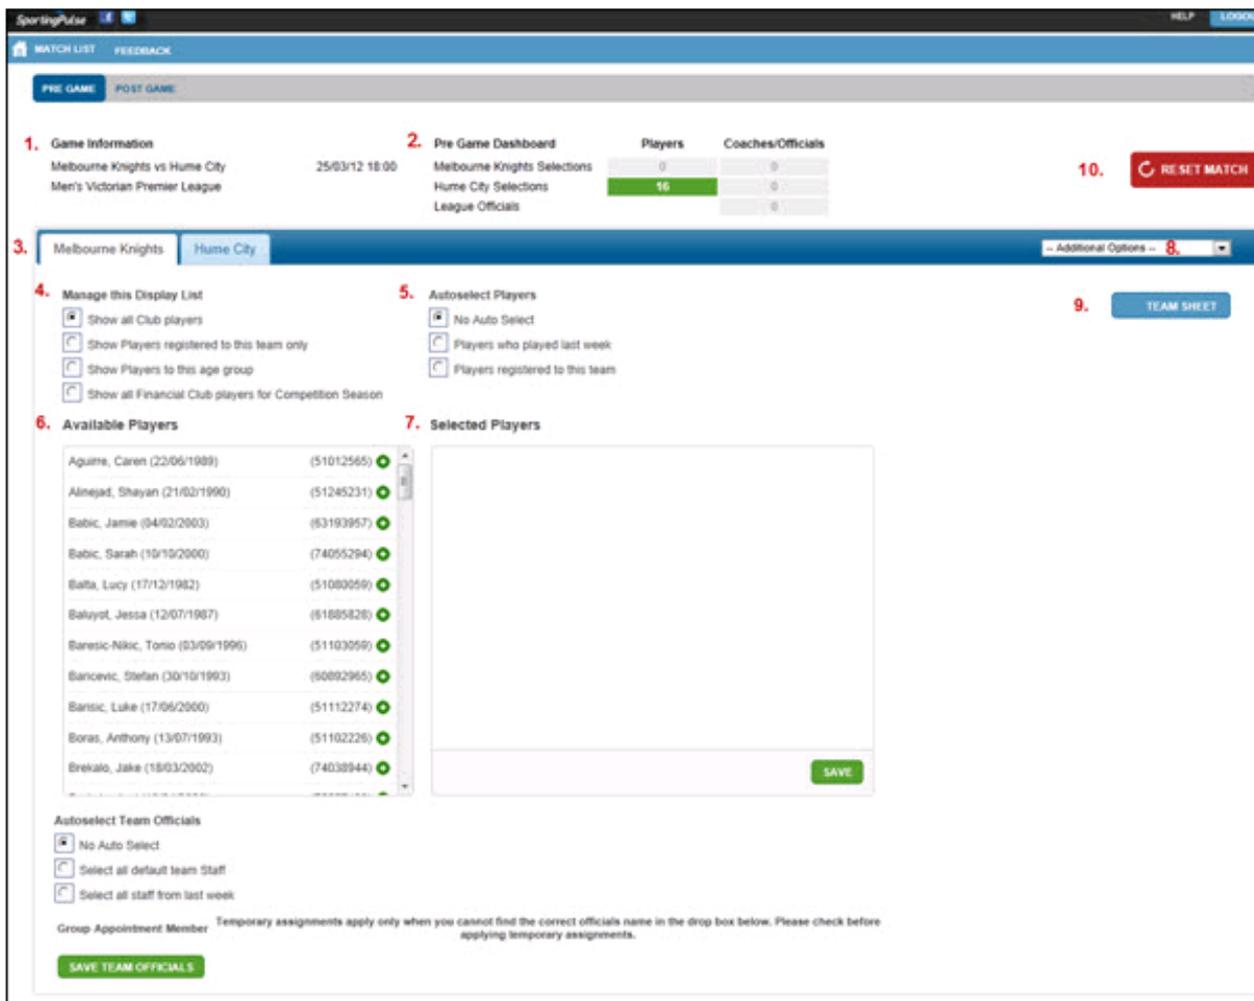

- Coach / Manager Logs into SportingPulse via <https://passport.sportingpulse.com/login>.
- Click on the **Competitions / Match Results** Menu

- Enter the date range of the games you are interested in and set the season to 2013
- Click on **Show Matches** button
- From the list of games click the **Pre Game** Button for the match you are selecting the team for

- The Pre-Game Screen (shown below) houses all the pre-game administration including team selections, assigning team officials and accessing team sheets.

The screenshot shows the 'PRE GAME' screen in SportingPulse. It includes sections for Game Information, Pre-Game Dashboard, Manage this Display List, Autoselect Players, Available Players, and Selected Players. A 'RESET MATCH' button is visible in the top right, and a 'TEAM SHEET' button is on the right side. The 'Available Players' list includes names like Aguirre, Alnejad, Babic, Balta, Bahayot, Barasic-Nikic, Baricevic, Barisic, Boras, and Brekalo.

- Check that you have selected the correct match by checking the **Game Information** (1).
- Choose the option you require under the **Autoselect Players** menu to display the players you have to select from for **Players who played last week**(the team you selected the previous week) or **players registered to the team** (All players who have played for this team in the current season).
- If you want to add players to the list displayed under the Selected Players window
  - Select whether you want to display **All Club Players**, only players who have previously played for this team (**Players registered to this team only**), or all players that are in the same age group as this team (**Players to this age group**) from the **Manage this Display List** options. This will reduce or increase the number of **Available Players** you have to select from for your team. Please note that the '**All Financial club players**' option is no different to the All club players option as only financial players are brought over from MyFootballClub.
  - Click on the + button to add players to the list.

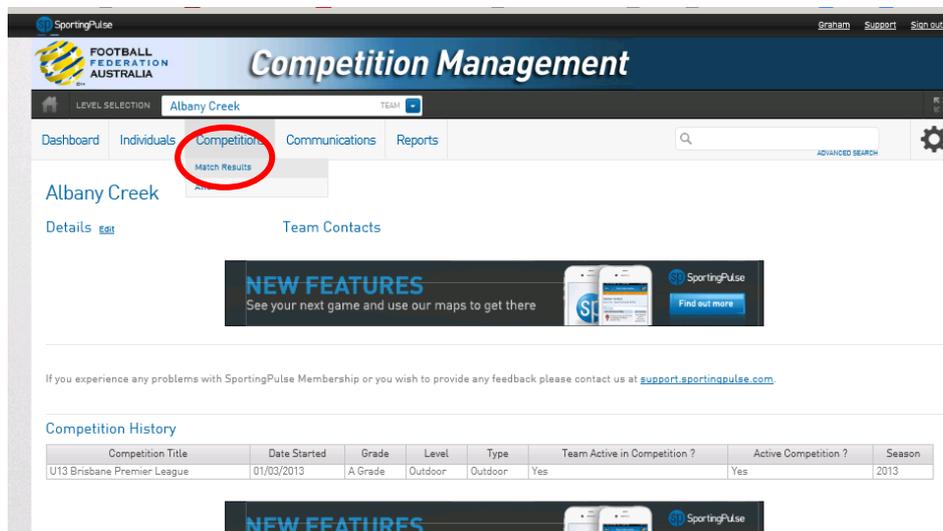

10. If you want to remove a player from the Selected Players list, click the – button next to their name.
11. When you have completed your team click the **Save** Button

**Note:** to start again you can use the **Reset Match** button to clear ALL data currently entered in for the match.
